OUR STORY

In the year 1920, one Mr. H.D. Short, flung these doors wide and welcomed his first customer. For 50 years, Short's Shoe Shine sent many a shoe out onto South Clinton Street buffed to a high mirror shine. Today, through the graces of the Short family, we aim to introduce a new sort of shine, while borrowing an old Short's motto:

Expert Workers | Best Materials Used | Prompt Service.

Short's Burger & Shine opened in September of 2008. We feature food and drink produced, grown, baked and brewed in the state of Iowa. As native Iowans we are proud to show the creativity and hard work of our fellow Iowans. Our beef is from a farm in Columbus Junction and processed in Riverside at Bud's Custom Meats. The beef is dry-aged for at least 14 days before it is ground daily for us. The buns are baked with no preservatives or eggs, by a couple from Des Moines. Our black bean burgers and all sauces are made in house. The black bean burgers are vegan but not gluten-free. We were the first to carry all Iowa breweries on tap and continue to feature the best breweries in the state. Short's also has a small farm east of Iowa City where much of the food we grow will find its way onto your plate. A true farm-to-table restaurant featuring the best that Iowa has to offer. Peace.
